PDGA #	Full Name	Student ID^

PDGA # is not required for rostering purposes. Please leave blank if an athlete does not have a PDGA # yet. Some schools may require a unique student ID# for identification purposes and signatures from individual athletes. Always ask your registrar what their requirements are to help with the efficiency of this process.

REGISTRAR Steps:

1. Please verify each player on this roster meets the following criteria -
 - a. Enrolled as a student in a degree or certificate program at the school for which eligibility is to apply.
 - b. If a student has an undeclared major, they must be considered an enrolled student at your institution.
 - c. Enrolled at least half-time (at least (2) full time classes or equivalent).
2. Graduate students engaged in research, teaching, or thesis production which will lead towards the awarding of a degree qualify if compliant with Rule 1.
3. Students participating in dual enrollment, Connect programs, concurrent enrollment, or similar enrollment arrangements may be eligible to compete if they meet the minimum enrollment requirements outlined on this roster verification form. Institutions with questions regarding roster eligibility should contact rosters@collegediscgolf.com for clarification. If an institution considers a student to meet its satisfactory enrollment requirements, College Disc Golf (CDG) will recognize that student as eligible to compete.
4. Students who graduate in the Fall/Winter semesters are eligible to compete in the Spring semester.
5. The above requirements must be applicable for the current semester at a school on a semester system. For quarter system schools, the registration requirements must be applicable throughout two of three quarters (any combination of fall, winter, and spring).
6. The half-time requirement (Rule 1.b above) is waived for students who are BOTH: 1) Taking at least the minimum course load required to graduate, where the "minimum course load" is at least one class; and 2) On track to graduate at the conclusion of the winter or spring term in the current academic year.
7. Please cross off any unverifiable names.
8. Please SIGN and SEAL/STAMP all pages of this roster form in the space provided where prompted.
9. Please email the completed form in a single PDF, including the cover page, directly to rosters@collegediscgolf.com with the subject of the email formatted as follows: "College Roster <School Name>" and provide a copy to the student who submitted this form to your office if applicable.

If you have any questions, please contact the College Disc Golf Director at (803)-670-0623, 2850 Commerce Dr, Rock Hill, SC 29730.

THANK YOU FOR YOUR COOPERATION
